

The Right Connection®

Dixon™ Liquorloop Hose Protector

Ask for your 1.5inch beverage hoses to be quoted with the Liquorloop Hose Protector.

How does the Liquorloop Hose Protector work?

By adding a Liquorloop to each end of a 1.5 inch hose, it protects the ferrule from scrapes and the floor and equipment from chipping.

Product Features

- Sleek design
- Easy to install
- Food grade polypropylene
- Proudly Australian made and owned
- Compatible with new and old hoses
- Heat, chemical, UV and shock resistant
- Recyclable
- Fits various 1.5 inch hose brands from 52mm to 58mm OD
- Simplifies wash down
